<b>1</b>	<b>Adoption of Prison Drive</b>	<p>Mark introduced himself, General Manager of OPSL have not discussed the issue of road /drainage / street lighting adoption with the board, Mark attended the meeting in that capacity - only an interested (and hopefully helpful) party with a shared aim.</p> <p>Prison drive has its own complications due too two separate authorities Warwickshire &amp; Northamptonshire County Councils would be involved.</p> <p>11-12 years remaining on the contract concerning prison drive, Money allocated to maintain the road for future repairs may possibly assist with the adoption.</p> <p>Malcolm confirmed he is able to assist with both Councils in the attempt to complete the adoption process of the road with the hope to looking at the Onley estate roads in the future.</p> <p>Mark agreed to look into the balancing pond - Mark will firstly see if it is in the demise of OPSL (Mark doesn't believe that it is - he think its demise stops at the road). Should it be, OPSL can then see what work may need to be done to it? From the conversation it seems that it is still fulfilling its designed function? Is the desire to have it cleared of bulrushes etc an aesthetic one? Another thing to bear in mind is any restrictions to clear it due to its ecology.</p> <p>.</p>	<p>MP to locate the relevant documentation confirming main access road was built to adoptable standards and have professional person to check paperwork is relevant to road regulations to date.</p> <p>ML awaiting outcome from MP</p> <p>MP look to clearing balancing pond and surrounded area.</p>
	<b>Contact</b>	Dawn agreed MP to contact her, DC to pass on details to rest of team.	DC to liaise between all team members as and when information received.
