Dear Mrs Camp

### **Barby & Onley Parish Council – CIL Payment April 2020**

DDC has sent Barby & Onley a parish CIL payment of £3,013.50 in respect of the development reference DA/2019/0868.

This should arrive in the parish bank account by midnight on Monday 27 April 2020.

Please note that the parish council is required to publish an annual CIL report for CIL received in each financial year. This payment should therefore be included in your report for the 2020/21 financial year, which statute requires to be published on your website and a copy sent to the Community Projects Officer at DDC by 31 December 2021

If you have any questions about the reporting requirements, please contact Denise Hackett, Community Projects Officer at [dhackett@daventrydc.gov.uk](mailto:dhackett@daventrydc.gov.uk).

Yours sincerely,
