The information shown on this and following sheets is a brief résumé of the results from:

### The Barby & Onley Neighbourhood Plan Survey

- Generally sheets will show *either* Barby *or* Onley results except where impractical, in these cases the results will be combined.
- Outside the villages and parish will be included in Barby results.
- Graphs are accompanied by a few typical written comments from parishioners where applicable.
- The green 'Cloud' boxes show a visual indication of the words most commonly used by parishioners when expressing their present or future concerns and aspirations.
- The bigger the word in the cloud box is, indicates how many times it was used and therefore its assumed importance.
- The graphs should be self-explanatory showing the question number and content and the either the percentage of respondents or the number for each possible answer, whichever is most applicable.
