1.0 Introduction and Background

1.1 This Consultation Statement has been prepared in accordance with The Neighbourhood Planning (General) Regulations 2012 (SI No. 637) Part 5 Paragraph 15 (2)\textsuperscript{1} which defines a “consultation statement” as a document which –
(a) contains details of the persons and bodies who were consulted about the proposed neighbourhood development plan;
(b) explains how they were consulted;
(c) summarises the main issues and concerns raised by the persons consulted; and
(d) describes how these issues and concerns have been considered and, where relevant, addressed in the proposed neighbourhood development plan.

1.2 The Submission Barby and Onley Neighbourhood Development Plan has been prepared in response to the Localism Act 2011, which gives Parish councils and other relevant bodies, new powers to prepare statutory Neighbourhood Plans to help guide development in their local areas. These powers give local people the opportunity to shape new development, as planning applications are determined in accordance with national planning policy and the local development plan (and any other material considerations) and neighbourhood plans form part of this planning policy framework. Other new powers include Community Right to Build Orders whereby local communities have the ability to grant planning permission for new buildings.

1.3 Barby and Onley Parish Council applied to Daventry District Council for Designation as a Neighbourhood Area. This was approved on 25\textsuperscript{th} July 2013. The Designated Neighbourhood Area is shown on Map 1 Designated Neighbourhood Area on Page 2 and has the same boundary as Barby and Onley Parish.

1.4 A volunteer steering group of villagers with both a passion for the Barby and Onley Parish was set up by the Parish Council to help in the development of this plan. From an early stage, the steering group carried out a questionnaire, the aim of which was to reach right across the various groups, businesses, individuals and landowners to build up a picture (and evidence base) for the development of the Barby and Onley Neighbourhood Development Plan.

1.5 From an early stage in the preparation of the Plan, the Parish Council through the steering group supported an approach to engage as many local people as possible in the plan process. The Submission Barby and Onley Neighbourhood Development Plan is built on a firm foundation of community engagement activity which included a questionnaire. Regular updates on the progress of the Neighbourhood Development Plan have been included in the Parish Magazine, to help ensure residents and stakeholders have been kept informed of key stages in the plan’s preparation.

2.0 Draft Neighbourhood Plan Development and Informal Public Consultation

2.1 January 2014

2.1.1 A very well attended meeting was held in Barby Village Hall in January 2014, when 46 members of the Parish were all keen to give their views on how the village should develop over the next 10 – 15 years. Publicity documents and the results of the meeting are included at Appendix I

2.2 March 2014

2.2.1 A second public meeting was held in Barby Village Hall on March 2014 when an initial Neighbourhood Plan committee was created and were tasked with creating a Parish Neighbourhood Plan.

2.2.2 A review of the aspirational suggestions identified in the early consultations were broken down into categories and the start of work on a questionnaire was discussed. The Neighbourhood Plan Steering Group finalised the questionnaire that would give residents the opportunity to identify what they thought was important in planning for the future of the villages. This questionnaire was distributed in October 2014

2.3 Social Networking

2.3.1 The steering group used Parish Council pages on Facebook and Twitter to distribute information to the Parish and. Screenshots of the pages are included at Appendix II. In addition, the Steering Group set up a specific section on the Parish Council website to distribute information.

2.4 Questionnaire – October 2014

2.4.1 The questionnaire was distributed to households in October 2014 and was also available to complete online through survey monkey. The full questionnaire is available at Appendix III. The full results can be seen at Appendix IV

2.4.2 An analysis of the responses was carried out by the Steering Group with the following being raised as issues:

- Retention of village character
- Develop by less than 10% of the Parish
- Developments should be 1-10 properties
- Traffic Speed and volumes
- Lack of traffic calming measures
• HGV traffic
• Range of house types required
• No industrial/commercial development required
• Additional community facilities required

2.4.3 Barby and Onley’s results were analysed separately as they were perceived to have quite different concerns. However, both sets had over 70% agreement on the following:

• Overwhelming desire to retain the Village Character
• Respondents liked the landscaping, design, use and planting of open spaces and recreational areas
• Opposition to development of recreational, green and open spaces
• Increase in the number of houses of no more than 10% over the next 15 years (that would equal 42 houses across the Parish) and these to be on small scale development sites (less than 10 houses)
• Any development to be of a mix of housing types and in keeping with character of the surrounding properties.
• No development of new sites for commercial activity

2.4.4 Based on the information gathered from the questionnaire responses and knowledge of the local area, the following were identified as key issues to be addressed in the Neighbourhood Development Plan.

• Need to protect the village form, size and character.
• New housing to a scale in keeping with the village
• Need to maintain the separation of the various settlements, including from Rugby to the north
• Volume and speed of traffic; HGV’s
• Protection of open and green spaces
• Protection and development of Community assets.
• Issues around physical access to Onley and local services
• Support of small businesses
• Preservation of heritage
• Protection of views of Barby Hill
• Protection of views out of the village from Daventry Road and Kilsby Road
• Maintenance and enhancement of rural nature of the Parish
• Maintenance and enhancement of footpaths
• Cross-boundary issues e.g. Kilsby NDP and with Rugby
• School parking
• Surface water drainage
2.4.5 The following non-planning matters were also identified and these aspirations will be taken forward by the Parish Council as future Parish Actions:

In Barby the issues concerning >70% of the respondents were:

• Parking at the start and end of the school day
• Traffic Speed & Volumes
• Road maintenance (has since improved)

In Onley the issues concerning >70% of the respondents were:

• Un-adopted roads and services
• Surface water drainage
• The lack of access to broadband and mobile telecoms

Other Parish Actions:

• Seating in open spaces/play areas (Parish Action)
• Further restriction HGV traffic through the village and on the Ridgeway
• Traffic calming measures
• Doctor’s surgery

2.5 Parish Newsletter

2.5.1 The Parish Newsletter has regularly included updates on the Neighbourhood Plan process. Excerpts have been provided at Appendix V.
3.0 Regulation 14 Consultation – Barby and Onley Draft Neighbourhood Development Plan from 21st September 2015 until 5pm 1st November 2015.

3.1 The public consultation on the Barby and Onley Draft Neighbourhood Development Plan was carried out in accordance with The Neighbourhood Planning (General) Regulations 2012 (SI No. 637) Part 5 Pre-submission consultation and publicity, paragraph 14. This states that:

Before submitting a plan proposal to the local planning authority, a qualifying body must—

(a) publicise, in a manner that is likely to bring it to the attention of people who live, work or carry on business in the neighbourhood area
   (i) details of the proposals for a neighbourhood development plan;
   (ii) details of where and when the proposals for a neighbourhood development plan may be inspected;
   (iii) details of how to make representations; and
   (iv) the date by which those representations must be received, being not less than 6 weeks from the date on which the draft proposal is first publicised;

(b) consult any consultation body referred to in paragraph 1 of Schedule 1 whose interests the qualifying body considers may be affected by the proposals for a neighbourhood development plan; and send a copy of the proposals for a neighbourhood development plan to the local planning authority.

Consultation on the Draft Barby and Onley Neighbourhood Development Plan

3.2 The Draft Barby and Onley Neighbourhood Development Plan was published for public consultation from 21st September 2015 until 5pm 1st November 2015. The draft plan, and representation form was available for viewing and downloading from the Parish website - www.bit.ly/bandonp. Screenshots are included at Appendix VI.

3.3 Links were also provided on the Daventry District Council website. Screenshots are provided at Appendix VII

3.4 Hard copies of the full document and the representation form were also available to view at the following locations:

Catherine Camp 18 Kilsby Road, Barby
David Blezard 3 Rugby Road, Barby
Ian Webb 6 Daventry Road, Barby
David Finch 13 Onley Park
3.5 An email or letter was sent to the list of consultation bodies kindly provided by Daventry District Council, together with a list of local groups and organisations. The list of consultation bodies / consultees is provided in Appendix VIII together with a copy of the email and the response form.

3.6 It was stated that all responses should be made in writing. A response form was prepared for submitting comments which can be found at the rear of the Consultation Summary Document delivered to all Parishioners. It is also available for downloading from the website and on request from the Parish Clerk. Extra copies could be found at the Village Shop/Post Office. It was stated that all comments should be returned to by email to or returned to any member of Steering Committee.

3.7 Two open meetings were held at Barby Village Hall (10th October 2015) and Onley Village Hall (11th October 2015) at which members of the public attended to collect a hard copy of the draft Plan and comment forms. They discussed various aspects of the plan with the Committee members before completing appropriate comment forms. During the local consultation period over 50 comments were received from 12 consultees. The two open meetings were advertised in the September newsletter in Appendix V.

3.8 All responses submitted in writing or by email were given careful consideration and have been used to inform the revised, Submission Draft Plan.
4.0 **Summary of Consultation Responses to the Draft Neighbourhood Development Plan**

4.1 In all 12 representations were made. Comments were received from local residents / households. The majority of representations from local residents supported the plan, or offered suggestions for amendments. There were representations from a number of consultation bodies, namely:

- Northamptonshire County Council Planning Services and
- Daventry District Council

4.2 Table 1 below sets out the responses submitted to the Draft Neighbourhood Development Plan, together with information about how these responses have been considered by the Parish Council and have informed the amendments to the Submission Neighbourhood Development Plan. Table 2 sets out responses from the Consultation Bodies to the SEA Screening Report.

<td>Comment</td>
<td>Natural England has previously given advice to Daventry District Council on screening of the draft plan for the need for Strategic Environmental Assessment and Habitats Regulations Assessment in a letter dated 15th September 2015. Based on the information in the screening report we advised that the plan would not affect any sites, such as Sites of Special Scientific Interest, which Natural England has a statutory duty to protect. Given the lack of impact to such sites Natural England does not wish to make any further comments on the draft Neighbourhood Development Plan at this time.</td>

<td>An assessment has been carried out with respect to National Grid’s electricity and gas transmission apparatus which includes high voltage electricity assets and high pressure gas pipelines, and also National Grid Gas Distribution’s Intermediate and High Pressure apparatus. National Grid has identified that it has no record of such apparatus within the Neighbourhood Plan area. Whilst there are no implications for National Grid Gas Distribution’s Intermediate / High Pressure apparatus, there may however be Low Pressure (LP) / Medium Pressure (MP) Gas Distribution pipes present within proposed development sites. If further information is required in relation to the Gas Distribution network Please contact <a href="mailto:plantprotection@nationalgrid.com">plantprotection@nationalgrid.com</a></td>

<td>Comment</td>
<td>At present it is considered that the policy may be overly restrictive for allowing necessary development to support certain areas of Local Green Space, e.g. play space within recreation grounds. To address this issue the policy should be amended as follows; “New development which impacts adversely on the openness of these sites will only be permitted in very special circumstances and where necessary to support the areas role and function.” Furthermore, whilst the table and the policy correctly refers to paragraphs 76 and 77 of the NPPF there are concerns that the table does not provide a sufficient justification against the criteria of para 77. Therefore some consideration should be given to evidencing their special qualities, e.g. through responses to the community consultation.</td>

I suggest that the Google Earth map (Scan below) is more appropriate and should replace the existing map which was produced for the title deeds application. I have researched the Google Earth copyright permission web site and find that there is no restriction on the use of their maps, taking note that: - 1) Attributions are made on the map; this usually appears automatically on the content (see scan) 2) We are not allowed to make any changes (e.g. delete, blur etc.) to their products that would make them look significantly different. 3) No explicit permission is required for a print project.</td>
<td>The purpose of these two maps is to show (a) the village envelope, BO-H1 and (b) open/green spaces, BO-CF1 It is not intended to show the details requested. This should be clarified by adding the key to the Onley map and perhaps changing the title. Also the reference out to the maps from BO-CF1</td>

I would like to point out that there are several places where public rights of way cross the canal towpath and although the routes appear to coincide on a map, it is not possible to get from one to the other. This occurs on the routes marked EC14, EC8 and EC10 where the access to the towpath is fenced off.

It would be of great benefit to enable these connections which would give much more scope for circular walking routes and help improve walking access to the new marina at Barby Moorings.

I would like to see these improvements included as a Parish Action and/or an inclusion in the list of proposals to which priority will be given in Policy BO-CF4.

Additional Parish Action added

"Enabling access from footpaths EC14 and EC10 to towpath to enable circular walking routes and help improve walking access to the new marina at Barby Moorings."
Natural England  

Thank you for your consultation on the above dated 21st August 2015. Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

It is our advice, on the basis of the material supplied with the consultation, that, in so far as our strategic environmental interests are concerned (including but not limited to statutory designated sites, landscapes and protected species, geology and soils) are concerned, that there are unlikely to be significant environmental effects from the proposed plan.

Strategic Environmental Assessment
Guidance on the assessment of Neighbourhood Plans in light of the SEA Directive is contained within the National Planning Practice Guidance. The guidance highlights three triggers that may require the production of an SEA, for instance where:
• a neighbourhood plan allocates sites for development
• the neighbourhood area contains sensitive natural or heritage assets that may be affected by the proposals in the plan
• the neighbourhood plan may have significant environmental effects that have not already been considered and dealt with through a sustainability appraisal of the Local Plan.

We have checked our records and based on the information provided, we can confirm that in our view the proposals/allocations contained within the plan will not have significant effects on sensitive sites that Natural England has a statutory duty to protect.

We are not aware of significant populations of protected species which are likely to be affected by the policies / proposals within the plan. It remains the case, however, that the responsible authority should provide information supporting this screening decision, sufficient to assess whether protected species are likely to be affected.

Notwithstanding this advice, Natural England does not routinely maintain locally specific data on all potential environmental assets. As a result, the responsible authority should raise environmental issues that we have not identified on local or national biodiversity action plan species and/or habitats, local wildlife sites or local landscape character, with its own ecological and/or landscape advisers, local record centre, recording society or wildlife body on the local landscape and biodiversity receptors that may be affected by this plan, before determining whether an SA/SEA is necessary.

<td>Please note that Natural England reserves the right to provide further comments on the environmental assessment of the plan beyond this SEA/SA screening stage, should the responsible authority seek our views on the scoping or environmental report stages. This includes any third party appeal against any screening decision you may make.</td>
<td></td>
</tr>
<tr>
<td>Habitats Regulations Assessment (HRA) Natural England is in agreement with the conclusion of the screening report in relation to HRA as the location and scale of development included within the plan would not represent a likely significant effect to any European Site.</td>
<td></td>
</tr>
<tr>
<td>Historic England will confine its advice to the question “Is it likely to have a significant effect on the environment?” in respect of our area of concern, cultural heritage. We note the SEA screening statement produced on behalf of Barby and Onley Neighbourhood Development Plan Steering Group, considers that an SEA is not required. We have identified no significant effects to cultural heritage.</td>
<td></td>
</tr>
<tr>
<td>We would like to stress that this is based on the current information provided in the screening request and the current draft Neighbourhood Plan.</td>

Appendix I – Aspirations 27th Jan 2014 – Publicity

What is a Neighbourhood Plan?
- Official document recognising our community development priorities in the planning system
- Parishioners’ priorities to influence the Council’s Strategic Vision
- Agreed priorities for any expansion
- Summary of community priorities for village sustainability

Why Should I get involved with the Neighbourhood Plan?
- Ensure all community priorities are on the agenda (Residents, Businesses & Landowners)
- Prevent changes being imposed on You or the Parish!
- Minimise environmental & economic impact on the community and your homes
- Maintain and improve the economic, environmental & social well being of the community

What is covered by the Neighbourhood Plan?
- Criteria over the design of buildings and housing developments
- Set parameters or restrictions over certain types of development or changes of use
- Protection and creation of open spaces, nature reserves, allotments, sports & play area & trees
- Protection of important buildings & historic assets (church, village hall, shop & pub)
- Schools, places of worship, health facilities, leisure & entertainment and future community
- Transport & access (highways, cycling, walking and facilities for disabled people)
- Improvement of community facilities & renewable energy (Broadband, gas, solar etc)
- Framework for any business set up and expansion plans

What a Neighbourhood Plan CAN DO!
- Determine what type of community development occurs and where
- Review, increase appropriate and needed development currently set out in the Local Plan
- Set policies for design standards & construction materials
- Promote community priorities & highlight parishioner concerns over sustainability

What a Neighbourhood Plan CAN’T DO!
- Operate in direct conflict with the strategic policies of the local planning authorities
- Be used to obstruct development that has been approved in the Local Plan
- Be implemented outside the approved Local Plan (inclusion is essential)

WHAT NEXT? PLEASE SEE OVERLEAF
Barby & Onley Parish Council Plan of Attack

We will be:
- Holding a series of briefings and meetings for discussions and to identify key topics and answer questions.

FIRST MEETING 27.01.2014 @ BARBY VILLAGE HALL 7.30PM
- Conducting a survey with all parishioners to give you the opportunity to record your concerns and highlight your priorities
- Establishing working groups for specific topics and welcome any parishioners prepared to offer their time to assist. It’s Your Parish
- Setting objectives with milestones to ensure progress and identify any funding and budget options
- Gathering information on all topics to systematically produce an agreed and persuasive report
- Providing timely updates in the newsletter and on the website for parishioners views and input.
- Working closely with the local authorities, District Council and all parties

Happy New Year

Parish Council News

Happy New Year to everyone in the Parish. Don’t forget that if you have a “Real” Christmas tree you can leave it out for collection with your brown bin this year.

PARISH COUNCIL MEETING - The first Parish Council meeting of the year will be held on Monday 6th January 2014 at 7.30pm in Barby Village Hall. All parishioners are welcome to come along.

The first 20 minutes of each meeting are open for public participation, so if you have a concern which you would like the Parish Council to address, please come along and let them know.

NEIGHBOURHOOD PLANNING - In this newsletter you will find a leaflet giving you some information about the input that people in the parish can have in helping to define the way that the village develops in the future.

Daventry District Council will continue to make the final decision when granting planning permission but local people are being asked to produce Neighbourhood Plans which highlight what is important within the village so that these factors can be taken into account when decisions are reached.

The Parish Council are holding a meeting on MONDAY 27TH JANUARY at 7.30pm in Barby Village Hall and would ask that as many people as possible attend to help us find out what things you value in the village, and what things you would like changed.

You can also send your views to NPlan@barbyandonleyparishcouncil.co.uk or fill in the contact form on the website www.barbyandonleyparishcouncil.co.uk.

DOG POO - The District Council has provided the parish with some bio degradable fluorescent spray to highlight any dog poo that has been left on pavements so that people can clearly see it and avoid stepping in it. A resident in Creaton has recently been prosecuted for not picking up after their pet, and the District Council is trying to target offenders and make the environment cleaner for all.

Please try and ensure that anyone walking the dog has a bag with them and cleans up after them.

YOUTH CLUB at ONLEY VILLAGE HALL - A youth club will re-start at Onley Village Hall on FRIDAYS from 6.00pm – 8.00pm with a new Youth Leader called...
Barby & Onley Parish Neighbourhood Planning – Aspirations Meeting Results

ENVIRONMENT

- Elkington Lane is a Litter Trap and Dog Toilet
- Utilities – Gas, Electricity
- Community Renewable Project
- Energy Saving / Conservation
- Move allotments to edge of the village and develop a central site with affordable housing for single and old people
- Can we have a local police man police?
- Maintain public leisure path. Current loop Elkington Lane and back to Water Tower is only accessible with wellies in winter. Access for infirm/pushchairs is required.
- Condition of pavement beyond belief, 10 years chasing NCC to receive a response
- Cars are parking on pavements especially Rectory Lane south side
- Bridleways and cycleways to all farms would be good
- More trees planted around the village
- Eye sores such as the old village shop should be removed
- Keep the allotments and open space
- Can we reinstate the village well/pump on Church walk to solve the streaming water problem?
- Fields around the village to be designated green space
- Maintain range of amenities – allotments, play area, skateboard facility
- Please tidy up the eyesore across from the shop
- Encourage younger usage of leisure facilities – tennis, footy, cricket
- Preserve existing access to green spaces and open spaces surrounding the village
- Surface to top of Elkington Lane from the windmill
- The run off of water down Daventry Road via the ditches to the Tennis court is bad when it rains and needs addressing
- Preserve Elkington Lane, The Green, Play Area, Castle Mound, Ware Retain footpaths
- Could there be a pavement from the shop down to the tennis court/pub
- Please retain the Ware as open space
- Upgrade and make new paths to allow horses and cyclists to ride off road Create more bridleways
DEVELOPMENT

- If housing development is required, perhaps the land opposite the school would cause less problems than other sites
- Residential buildings near the new Marinas similar to Braunston Quays
- Self Build Required
- Local Businessman, staying local
- Investing in Village
- Affordable Housing
- More housing / business park at Onley would help them get more and better services and facilities
- Limited infill within the village confines as per the original village boundary
- Retain “Village Envelope” idea as much as possible
- Use of renewable energy solutions for any new build
- Land to west of school could have houses
- Protect TPOs and Listed buildings
- No further building on or near the Castle Mound or in its environs
- Current storm water system cannot cope with run off from any more houses
- Brown field sites in the village should be considered for development
- Be careful about infill. Where an area is currently a green field it must be protected. Ensure that planning does not allow temporary sheds/caravans/boats to be left in open countryside
- Preserve a clear green belt between Barby and Hillmorton

TRAFFIC

- How can traffic issues be improved? What would you like to see?
- Speed Calming humps on Daventry Road
- Slip Road onto M45 off Onley Lane
- Gritting of Onley Lane
- Stop HGVs going down Longdown Lane
- Sort out parking issues at the School – maybe a car park?
- Access roads – I would prefer reversion to single track with passing places
- Protect village verges with high kerbs and very large lumps of rock
- Do not want to see a Car Park in Barby
- Use one way alternating obstructions down Daventry Road to slow traffic like at Crick Doctors surgery
- Don’t improve the access roads too much
OTHER

- Can we reinstate the village well/pump on Church Walk to solve the streaming water problem?
- More Annual Community Events e.g. Christmas tree and turning on of lights Can we have a police man?
- Community café/meeting place with tourist information and history display area Community renewable project energy saving/conservation
- Doctors Surgery
- More small business units in the village,
- Develop same site by A45 into 100 square meters of factory units Car Park for the school a) Better Broad band,
- Telecommunication infrastructure is strained due to poor performance hard to attract business or home working
- How can the pub encourage a better restaurant?
- More organized sports clubs for children
- Better bus service for the older children going to Rugby school/college

Development

1. Elkington Lane area possible site for development – close to village centre
2. More housing for elderly
3. No infill – build outside present confines – keep shape of village
4. No big development – would detract from concept of village
5. Variety of house sizes – family and single persons
6. No business park
7. Preserve village
8. No business park
9. More smaller houses, bungalows, low-cost housing – not large detached

Barby and Oney Neighbourhood Plan 2014

1. Welcome to the 2014 Neighbourhood Plan Survey for Barby and Oney

Please complete online at https://www.surveymonkey.com/r/BarbyPlan by 29th October. Alternatively you can complete the printed survey and return it by 29th October. Full details below.

What’s happening:
The government has introduced a Neighbourhood Plan to give residents more of a say in the development of their parish. A key part of this is the creation of a Neighbourhood Plan by the local community and the Parish Council. If this Plan is approved then it will have legal status and be used to influence future planning decisions for the parish.

What’s the next step:
Following the collection of village opinions we would be grateful if you would please complete this survey and tell us about what you think is important in planning for the future of our village. We understand that development in Oney is likely to be very restricted (due to historical reasons and boundary factors), but we are still welcome everyone’s comments on the future development of the Parish for both Barby and Oney.

Thank you for participating in our survey. Your feedback is important. Your answers will be confidential and you will not be asked for personal information. However, in order to provide some demographic background to the results you are asked for some general background questions.

Please complete this survey online at https://www.surveymonkey.com/r/BarbyPlan by 29th October 2014. Please note that this survey is one page per page after you press the “next” button and also when you press the “done” button at the end of the survey.

Questions can be completed online per computer, but you can complete the printed version and either return it in an envelope and post it to the Parish Office or deliver it to Barby Village Hall or hand it to any Parish Councillor (their addresses are listed in the back of the Barby and Oney newsletter) or bring it to Barby Village Hall on October 11th between 2.00pm and 4.00pm.

Our aim is that a survey will be completed by every household but if another member of your household would like to complete a separate survey, we would be very pleased to hear their views and receive their survey.

More with my information be shared?
The survey is anonymous and the findings will be used to make a draft plan reflecting the consensus views of the community as a whole. When the Neighbourhood Plan has been completed, final approval will be sought by holding a formal referendum within the parish. These results will be available on the Parish Council website www.barryandoneyparishmail.org.uk and paper copies will be available by contacting the Parish Clerk on 01780 801194.

Thank you for your support.

The Barby & Onley Neighbourhood Plan Survey

- Generally sheets will show either Barby or Onley results except where impractical, in these cases the results will be combined.
- Outside the villages and parish will be included in Barby results.
- Graphs are accompanied by a few typical written comments from parishioners where applicable.
- The green 'Cloud' boxes show a visual indication of the words most commonly used by parishioners when expressing their present or future concerns and aspirations.
- The bigger the word in the cloud box is, indicates how many times it was used and therefore its assumed importance.

- The graphs should be self-explanatory showing the question number and content and the either the percentage of respondents or the number for each possible answer, whichever is most applicable.

- "Being a resident of Daventry / Rugby Road, I feel that the speed at which people drive through is unacceptably fast and a big accident is waiting to happen"
- "Pot-holes are a continuous problem on both Barby & Onley Lane. Gritting of Onley Lane is non-existent. Car parking at the school is a hazard"
- "The amount of cars not in their parking spaces causing obstruction to other houses (they have too many scrap cars on view)"

"Open spaces make a big difference to a village and should be retained as a very high priority. There are virtually no renewable energy technologies which are in keeping with small inland village"

"Green centre of village a great asset and should be retained. Small development around village could be absorbed but large scale could change area, without chance of recovery"

"Barby has a unique character being surrounded by beautiful working countryside. To retain this should be a high priority"

"People have chosen to live in a quiet and pretty village, we need to protect this from being over developed and swallowed up by bigger towns"
Barby

Question 9 - What worries you most about future developments in your village?
- "That there will be a disproportionate number of houses built & with any spare land within the village built on"
- "Volume of traffic - speed of traffic - crime"
- "More cars/traffic, parking, loss of village sense of community"

Question 10 - What sort of development do you envisage in your village?
- "Very small scale, similar to that implemented over the last 10 years"
- "We need affordable houses"
- "Limited infill and quality houses"

Question 11 - In what ways could new developments improve your village?
- "Will not improve only generate more traffic"
- "safer more comfortable life style for the elderly and leaving more of the existing housing for families, this would keep Barby a village and not a suburb"
- "Help ensure the survival of the shop, pub & school"

Barby

Question 12 - What features would you like to see in new developments in your village (e.g. architectural/layout)?
- "Homes in keeping with the character of village. Not all affordable homes for families shipped in from town who have no connection with the village"
- "Architectural integrity with proposed buildings talking their lead from what already exists"
- "Traditional architecture"

Question 13 - What are your views on the future development of Onley even though this is unlikely due to historic covenants and agreements?
- "Open areas given to the Village in recompense of the third prison. The land should never ever be used for development. The land should be protected. We suggest registering as a Village Green and protect once and for all"
- "I don’t think Onley needs any more than it has or has been permitted. There is not any room here and we need to keep our open space as our village green area"
- "Onley should not have any future development. What we have should be brought up to a better standard and our open spaces protected by Law, i.e. make them a registered Village Green"
Question 14 Quotes - No text responses required

Question 15 - In which direction would you like to see Barby develop?

- "By 2030 Barby should not find itself an extension of DIRFT or Hillmorton. The direction of future development should be south and west not north"
- "Infill would spoil the character by reducing green spaces"
- "Prefer infill and West"

"Any further housing development will require a significant extension to existing electrical & sewerage facilities"
"Two small estates are better than one big one, which could then become its own 'village'
"Large developments will change the feel and rural nature of the village"

Q4 - Onley - How satisfied are you with the following?

- Landscaping, design and planting of open spaces
- Footpaths
- Children’s Play Area
- Village recreational opportunities
- Affordability

Percentage of respondents

- “Onley is a private Village and although every household pays the same rateable payments as Barby, Onley gets no concessions except the bins, recycling, Police / emergency services. No road path repairs, no reduced rates to DDC”
- “I don’t use play areas but my grandchildren do. I like that it is safe to leave them to play alone”
- “Roads and footpaths need to be adopted. Children’s play areas especially the basket ball court need a lot of attention. Too many weeds stop children playing”

Question 8 - What do you dislike about living in your village?
- "Floodings & blocked drains in winter. Difficulty getting on to A45 at 8 a.m. & 5 p.m. (rush hours at prison")
- "This 82 garages owned by a company in Birmingham are rented out to commercial companies who use them for storage purposes. Not a single garage is rented by a resident, due to the high costs"
- "Gas supply required. Better broadband facilities & improved mobile signal"

Question 9 - What worries you most about future developments in your village?
- "No more houses. Onley should be left as a nice quiet Village"
- "Closing the openness Onley offers. The open spaces were handed over from HMP Onley to agree to HMP Rye Hill to be built. If we lose our green spaces we have Rye Hill for nothing"
- "Floodings, nowhere to use for recreational areas. Onley is surrounded by wire fencing. Take our open space facilities away and it leaves the village in a depressing situation"

Question 6 - Onley: Retention of Village Character:
- "Church, shop, village hall, Canal Marina (Barby moorings) grass verges and trees along roadside are important as is the school"
- "It is extremely important Onley remains a separate village from other villages. Due to the fact our neighbours are 3 institutes belong to Her Majesty’s prison service it would not be wise to join any other village"
Onley

Question 10 - What sort of development do you envisage in your village?
- "Very limited, infill only. We are already host to three penal institutions and need to protect remaining open spaces"
- "Clean roads, cleaned drains and better planning consideration. Garages for the use of residents and not off-site commercial storage units"
- "A shop at Onley would be immensely helpful"

![Development](Development.jpg)

Question 11 - In what ways could new developments improve your village?
- "The only development that will improve it is already being done as the Marina will enhance the area with landscaping, a small café and a small self-sustaining community"
- "The council could exert more pressure on G4 Fye Hill to uphold the agreement to maintain the balancing pond for the use by residents and staff as a recreational area"
- "Gas developments, piping to houses. Local shop"

![Developments](Developments.jpg)

Question 12 - What features would you like to see in new developments in your village (e.g. architectural/layout)?
- "Green open spaces to stay"
- "We have just one bench to sit on. Please give us some around the open spaces"
- "More trees in the undeveloped greenbelt"

![Look of the Countryside](Look-of-the-Countryside.jpg)

Question 13 - What are your views on the future development of Onley even though this is unlikely due to historic covenants and agreements?
- "We would like our open spaces to be recognised as Village Greens, and not developed on!"
- "It would be good for Onley to expand as a community especially with the new marina development"

Question 23 - See Barby results
Barby Primary School’s Neighbourhood Planning Survey

Oaks (Years 5 and 6) held their own Neighbourhood Planning Survey. They discussed what they liked and didn’t like about Barby village and suggested ways to make it a better place to live.

They considered the proposed development opposite the school and debated whether it would be a good thing or not and what the effect might be on the village.

This was followed up by a questionnaire on the school website.

These are selected responses that capture the best and most popular of the children’s submissions.

(The children’s names have been removed to preserve the anonymity of the Neighbourhood Planning Survey.)

What do you like about Barby village?

• “There are lots of country lanes and space to walk your dogs.”
• “The local shop and the Church, not all villages have them. Also the allotments.”
• “I like being on a hill in the countryside.”
• “I like the people and the green and the park and some people know nearly everyone.”

What don’t you like about Barby village?

• “There are not enough things to go on at the park even though there is room for more.”
• “The Council don’t listen.”
• “The traffic drives through too fast and the road is bumpy.”
What could be done to make it better?
- “Bigger parks, both skateboard and playpark.”
- “A slower speed limit in the village.”
- “A zebra crossing either at the school or the shop.”

Is there anything that would improve the environment around Barby?
- “More shops.”
- “Some wildlife houses and bird boxes.”
- “More bins (less litter)”

What do you think about the proposal to build houses opposite the school?
Good idea: 3 Bad Idea: 18
- “It would be good to get more children to come to the school but it would be bad environmentally”
- “Barby is meant to be a small village.”
- “Houses mean more cars and cars mean more pollution.”

Can you tell me what problems more cars might mean?
- “More cars speeding; less space to put more cars.”
- “Children might be late for school because they get stuck in a traffic jam or have to park further away from school.”
- “Cars parked by the school slows the traffic down.”

How could we reduce these problems?
- “Make the road wider; more speed cameras.”
- “Traffic lights would make it less dangerous by making the traffic slow down.” □ “Speed bumps or bollards.”

Do you feel safe walking/cycling around the village?
Yes: 12 No: 13
- “I’m scared crossing the road because of the cars going too fast.” □ “Cycle paths would help.”
Do you think that building more houses in Barby is a good idea?
Yes: 1  No: 8

Please tell us why you gave the answer that you did
• No “Because more houses mean more cars and traffic.”
• No “Because it will damage the environment because the sewerage system can't cope.”
• Yes “Because my family has been wanting to move to Barby.”

You mentioned the traffic problems in Barby; what worries you most?
• “Cars speeding.”
• “Not feeling safe riding your bike.”
• “No safe place to cross the road.”

What do you think would help make this better for you?
• “Speed camera.”
• “Speed bumps.”
• “Zebra crossing.”

Is there anything else you would like to say about what you would like to see or do in Barby in the future? You can use this space to tell us any ideas you might have or ask any questions you would like the Parish Council to answer?
• “There is always a traffic problem outside the school at drop off and pick up times maybe a car park would be a good idea.”
• “More clubs.”
• “A football pitch down the park please.”
Onley Youth Club’s
Neighbourhood Planning Survey

12 members of the Onley Youth Club used the Questionnaire as a framework to discuss their ideas. They recorded their views in a single copy. They concentrated purely in the context of Onley Park itself. Their responses are summarised as follows.

What are the biggest problems faced by Onley residents?
- “There is no problem with traffic on the estate, it’s the access road where they tend to speed on the main road. You cannot see the traffic coming round the bend.”
- Residential car parking spaces
- Car parking at the village halls.

Which services need improving?
- Electricity
- Gas Supply
- Broadband

With which Local Environment Issues are you least satisfied?
- “Trees need cutting back on the road facing the prison so people leaving the estate can see the traffic coming from the right.”

To what extent would you agree with Redevelopment of Open Spaces.
- Strongly Agree

How important is it to retain the current village character?
- Very Important

What do you like about living in your village?
- “Countryside, open spaces, farm, the canal, the views, nature, the walks, wildlife.”
What do you dislike about living in your village?
• “The bigger the community becomes; the more problems develop.”

What sort of development do you envisage in your village?
• “A skate park, a youth club house”.

What features would you like to see in new developments in your village?
• “Architectural structures would make it nice and modern.”

What are your views on the future development of Onley?
• “No future development”.

Would you like to see a new retail outlet?
• “A corner shop / news agency”.

Would you like to see a new retail outlet?
• “A corner shop / news agency”.

Which additional community facilities would you prefer?
• Sport
• Recreation/Play areas

Parish Council News
Barby & Onley Parish Council will hold its next meeting in Onley Village Hall at 7.30pm on Monday 3rd February. The first 20 minutes of the meeting will be open for public comment, so if you have a burning issue you wish the Parish Council to know about please either email the clerk clerk@barbyandonleyparishcouncil.co.uk, phone her on 01788 891184, or come along to the meeting.

A very well attended meeting was held in Barby Village Hall on Monday 27th January when 46 members of the parish were all keen to give their views on how the village should develop over the next 10 – 15 years. The Parish Council will be asking for people to get involved in various working groups to start writing a Neighbourhood Plan for our parish which will be subject to a referendum in due course. A Neighbourhood Plan is very much a plan for the parish, put together by the community, so please get involved and help shape your village’s future.

Thank you to all those who came along to the meeting, but sadly there were only 2 representatives from Onley at the meeting. It is important that Onley residents also think about what makes Onley Park good, what they like, what changes and extra facilities they would like to see. Please have a look at the village website www.barbyandonleyparishcouncil.co.uk and send your comments on the Contact Us page or let the Clerk know.

Mailing List. If you want your email address to be included on the Parish Council mailing list then please either give your details to the Clerk or subscribe to the mailing list on the Contact Us page of the website.

Onley Park Youth Club is up and running and Sue Galloway the new youth leader has lots of fun activities planned. Any young person over the age of 8 years is welcome to attend from 6.30pm on Friday evenings in Onley Village Hall (term time only) Cost is £1 per session. You can read her report on page 4.

Is there anyone else prepared to be trained to use the Speed Gun camera as part of the Speedwatch initiative? It involves attending a 3 hour training session in Northampton which will probably take place in the early summer on a Saturday morning. We will have the speed guns in Barby for 3 alternative weeks over a 6 week period from 20th September 2014. During the 3 weeks we will need to measure the speed of cars travelling through the village using the gun at peak speeding times, probably 8.00am and 5.00pm. 3 people are required on each “shift”. The more people who are trained to use the guns, the less times your name will come round on a rota, but we do need a minimum of 10 people and so far only 2 have volunteered. If you think this is a way in which you can help the village, please let the Clerk know clerk@barbyandonleyparishcouncil.co.uk (01788 891184). Don’t just moan about car speeding do something about it!

We also still need someone to volunteer to be a Highway Warden, and report highway problems on Street Doctor on behalf of the parish, and generally be a point of contact with the Highway Authority. It helps if you can log stuff on line, but if this is something you could help with, then it would be much appreciated. Again, let the clerk know if you are prepared to volunteer. Training and support is given by Northants County Council for anyone undertaking this role.

Superfast Broadband Infinity is coming to Barby – that’s what the new green boxes are. The Superfast Northamptonshire website says we will have it during 2014. . . . not sure when, but it’s on its way.

Dogs – concern has been raised over territorial dogs in the village. Please ensure that your dog does not attack others.

Parish Council News
The next Parish Council meeting will be held on Monday 3rd March at 7.30pm in Barby Village Hall.
Council Vacancy - Following the resignation of Councillor Chris Gibbs, the Parish Council would like to publicly thank Chris for the work he did on behalf of the village both as a Councillor and as Chairman of the Council. His resignation means that there is a spare seat on the Parish Council, so if you are over 18 years in age, and would like to help make decisions on how the Council tax should be best spent in the parish then please consider becoming a Councillor. Talk to any of the current Councillors or the Clerk (01189) if you have any questions or wish to find out more.
If you are interested in becoming a councillor, please call the Clerk and let her know, and provide her with a brief summary of who you are so that you can be considered for election.

Buses - Following a meeting with Stagecoach, it has been agreed that the timing of the morning bus will be altered by 5 minutes to allow a better connection at Clifton Road. This is not a major change, and Stagecoach are unable to put on an extra bus to take school children into Rugby in the morning, or delay the current bus since it has to get to Diorph in time for a shift change, but it will mean that once in Rugby, passengers will not be in the position of just missing the next connection.

Website - The Parish Council website is now getting about 600 visits per month. A massive thank you to Ian Webb who has updated it, and is keeping it full of current information. During February there were 10 different news postings on the Parish Council website – keep checking it out as it changes regularly www.barbyandonleyparishcouncil.co.uk/BarbyOnley/latest_news_0215.aspx. If you have anything you want to be included in the website then please contact Ian on barbyandonleynewsletter@gmail.com. Full contact details on page 7. You can also follow the parish on Twitter and find out what is going on.

Highway Warden - Dom Fisher has agreed to be the point of contact between Northamptonshire Highways and the village. Please continue to report potholes and highway defects via Street Doctor www.northamptonshire.gov.uk/streetdoctor or call 0300 123 1000 as the more calls they get, the more they will be aware of the issues in the parish.

Annual Christmas Event - The Parish Council thought it might be nice if we started an annual Village Event at Christmas and had a Christmas tree opposite Barry Shop. We thought we could then have a "turning on of the lights" event at the beginning of December with Carol and Mulled wine around the tree, and perhaps resurrect the Advent Windows around the village. If anyone is prepared to help organise this, please can you let the Clerk know (091189).

World War One - Events to remember those who gave their lives in the First World War, 100 years ago. The District Council is arranging a series of events which can be found on their website. The Parish plan to plant Flanders Poppies around the war memorial and somewhere near the Village shop.

Neighbourhood Planning – Thanks to all those who attended the meeting held at the end of January. Next time we will be in the larger hall!

The Parish Council is applying for a grant from "Planning Aid" to fund the work required to put together a Neighbourhood plan, but this needs to be a Community led document. A meeting will be held on Monday 10th March at 7.30pm in Barby Village Hall with someone there to guide us on Community Engagement. Please come along and get involved with the actual nuts and bolts of drawing up the plan.

Youth Club - Sue Galloway is running a youth club for young people over the age of 8 years on Friday nights at Onley Village Hall from 6-8pm. It costs £1 per session although there is also a tuck shop. There are usually between 12 - 15 young people there, and they have lots of fun. All young people in the parish are welcome to go if they want to. - you don't have to live in Onley. If you live in Barby and would like to go along and see what goes on, then just turn up.

Annual Parish Meeting of Barby and Onley Parish Council will be held on Wednesday 21st May in Barby Village Hall. It would be great if villages, organisations and clubs could come along and give a short report on what they have done over the year. This is a great opportunity to find out what is going on in the village, so please put the date in your diary.
Parish Council News

Parish Council Meeting - The next Parish Council meeting will be held at BARBY Village Hall on Monday 13th October at 7.30pm. The Parish Council now meets on the 2nd Monday of each month.

All Parish Council meetings are open to the public. If you wish to raise an issue with the Council then please come along and do so, or alternatively contact the Clerk a week in advance so that she can put the matter on the agenda.

Our new County Councillor is Councillor Malcolm Longley Tel 07721 824053 email mlongley@northamptonshire.gov.uk

Litter - If you see anyone throwing litter out of a vehicle, then note the type, colour and registration Number of the vehicle and location and time and date, and let Daventry District Council know. You can email pknights@daventrydc.gov.uk or phone 01327 871100.

Defibrillator for Barby? - There has been a request for a public access defibrillator to be placed in a central point in the village of Barby.

Northamptonshire Fire and Rescue Service are prepared to provide free CPR training for any group who want. If you are interested in free CPR Training, then please email the clerk at clerk@barbyandonleyparishcouncil.co.uk

Neighbourhood Plan - Localism and New Development. — As part of the process in producing a Neighbourhood Plan the Parish Council wants to hear what you think is important in planning for the future of Barby and Onley. A survey is being delivered with this newsletter to allow you to have your say. Preferably you can either complete it online at www.surveymonkey.com/s/hopcnplan (or use the link on the village website) or you can complete a paper copy. Please note that only one survey can be completed per computer, but you can complete additional paper copies and either post them in the special Neighbourhood Plan post-box in Barby Village Stores or Barby Village Hall or give them to any Parish Councillor. The survey will close on 25th October. All responses are confidential, so express yourself as freely as you like!

Neighbourhood Plan Open Afternoon - Barby Village Hall on October 11th from 2.00pm to 4.00pm. This will enable you to ask any questions you have on the survey and to receive any completed surveys.

Facebook and Twitter – We now have 113 followers on Twitter and 33 likes on Facebook. Please check them out if you haven’t done so already. Links are on the Parish website Home page. www.barbyandonleyparishcouncil.co.uk

Christmas Event - We would like to put up a Christmas tree opposite the shop, and hold a Christmas event of some sort - Carols / mince pies / turning on of lights etc. Anyone willing to help organise it, please contact Catherine Camp.

Don’t forget to put your name forward for making an Advent window. (See page 5)
Parish Council News

Parish Council Meeting - The next Parish Council meeting will be held at Barby Village Hall on Monday 10th November at 7.30pm. All Parish Council meetings are open to the public. If you wish to raise an issue with the Council then please come along and do so, or contact the Clerk (01788 891184) a week in advance so that she can put the matter on the agenda.

Neighbourhood Plan Survey Thank you to everyone who completed the Neighbourhood Plan survey. We have received a total of 305 responses (215 from Barby, 75 from Onley and 12 others). We will now be busy analysing the results with a view to presenting the initial results to a public meeting in the next few weeks. Keep your eyes on the notice boards and the website for details.

Elections on 7th May 2015. The term of office for the present Parish Councillors comes to an end at the end of April. If you would like to become a Parish Councillor, or just want to find out what is involved, speak to one of the current Councillors or the Clerk.

To stand as a Councillor in May 2015 you will need to fill in a form, available from Daventry District Council. If there are more than 11 candidates then there will be an election which will be held on the same day as the General Election. It would be really good if the village can have sufficient interested candidates that an election is the best suited to serving the local community – please consider whether becoming a Councillor and helping shape the future of the parish is something you might be prepared to do. It involves attending a monthly 2½ hr meeting and making decisions on how the Council tax is spent in the community.

The Parish Council is also a statutory consultee on planning applications. Recently we have been consulted on application D/2014/0796 - Outline Application for the construction of 12 dwellings on land adjacent to 71 Daventry Road, Barby. Barby and Onley Parish Council objected to this application based on a lack of need, disregard of local policies and the incongruous intrusion into the countryside. The proposed development of 12 dwellings is on a greenfield site beyond the adopted village confines and on land within open countryside and is contrary to the adopted Policies HS22 and HS24 of the Daventry District Local Plan.

Christmas Events. We are hoping to install a power point on the green opposite the shop so that we can plug in lights and have a village Christmas Tree. If everything goes to plan we hope to have mulled wine, mince pies and carols round the Christmas tree in mid-December followed by a tour of village Advent windows. Don’t forget to put your name forward for making an Advent window. (See page 5).

If you see a pothole, or are concerned about the highway then contact www.northamptonsshire.gov.uk/streetdoctor and report the problem on line.

Please cut back hedges and hedges that overhang the footpaths so that people can pass easily.

If your street light is not working, please contact either the Clerk (Barby) or Cllr Dawn Cotton (Onley) so that they can arrange repair.

Neighbourhood Plan - The Barby and Onley Neighbourhood Plan has been drafted and it is hoped that at the September 14th meeting the Parish Council will approve it for public consultation.

It is envisaged that the public consultation will run from September 21st to November 1st. During this time, parishioners are invited to submit their views of the draft plan. Comments must be made on an official public consultation comment form and either sent to onplan@barbyandonleyparishcouncil.co.uk or to David Blizard, York Cottage, 3 Rugby Road, Barby.

The draft plan and comment forms will be available on the Parish Council website (www.barbyandonley.co.uk). Hard copies of the draft plan will be available on loan (for 3 days at a time) from Catherine Camp, David Blizard, David Finch (15 Onley Park), and Ian Webb (6 Daventry Road). Comment forms will be available from Barby Village Hall, Barby Post Office or from any of the above people.

There will also be open meetings at Barby Village Hall on October 10th and Onley Village Hall on October 11th from 2.00pm to 4.00pm. The draft plan and comment forms will be available and assistance will be given to help anyone record their opinions and to answer any queries.

Following the public consultation the comments collected will be considered and, if felt necessary, revisions will be made to the plan. Final approval will be sought from the Parish Council before submission to Daventry District Council. When their review process is complete, the plan will be the subject of a Parish referendum when everyone will be able to vote on its approval. Watch out for more detail on the Parish Council website and Parish Notice Boards.

The next meeting of Barby & Onley Parish Council will take place on Monday 9th
November at 7.30pm in Barby Village Hall.
Members of the Parish are welcome to attend, and the first 20 minutes of the meeting
will be open for public participation. If you have a concern which you would like to make
the Parish Councillors aware of, then come along and let them know about it. It may not
be possible to provide an answer immediately, but the matter can be put on the Agenda
for the following meeting.

The Parish Council are sorry to announce the resignation of Councillor Brian Lomax and
would like to thank Brian for the years of hard work he has put in for the Parish as a
Councillor. His help, support and wisdom will be missed. Thank you Brian.

There is now a casual vacancy on the Council. If you would like to become a Parish
Councillor, then please email the Clerk with a short resume of who you are, and why
you would like to be a Councillor. If a by-election is not requested by 10 electors, the
current parish councillors will be in a position to co-opt someone to fill the casual
vacancy.

Street Lights - As the nights get shorter, please let the Clerk know if any of the street
lights stop working so that we can arrange repair. Thanks.

Litter - Mr "Baggy" Bullock has kindly agreed to collect litter on a weekly basis from
around the Play Area and village centre. Thanks very much!

Onley Park Youth Club - Don't forget that Onley Park Youth Club Leader Claire Griffin
would very much like to see more young people coming to the youth club. She has just
used some grant money to purchase a PS4 and a Karaoke machine, so its good fun!

The Youth Club runs on Fridays from 6.30 - 8.30pm in Onley Park Village Hall and is
open to any child aged 6 years + from Barby or Onley.

Bus Shelter Seat - will be installed very soon in the bus shelter on Rectory Lane.

Defibrillator - The Parish Council has taken delivery of a defibrillator which is now
attached to the outside of Barby Village Hall. To ensure that it is kept in good working
order, Debbie Hyde has agreed to check it on a weekly basis. We will have an
awareness event, and the Community Heart Foundation training team will come and tell
us everything we need to know about the defibrillator.

Newsletter - Please note that there will be no January Village Newsletter and the next
issue will cover both December and January.

Neighbourhood Plan Public Consultation - Have you read it and commented on it –
the public consultation ends on November 1st.

Parish Council News

The December meeting of Barby & Onley Parish Council will take place on Monday 14th December and the January meeting will be on Monday 11th January at 7.30pm in Barby Village Hall.

Members of the Parish are welcome to attend, and the first 20 minutes of the meeting will be open for public participation. If you have a concern which you would like to make the Parish Councillors aware of, then come along and let them know about it. It may not be possible to provide an answer immediately, but the matter can be put on the Agenda for the following meeting.

At its November meeting David Bleazard was elected Vice Chairman of the Council replacing the late Brian Lomax. As you all know, Brian lost his fight with cancer during the last month. He will be remembered by the Parish Council for his many years of loyal service to the council, serving on many committees and latterly as Vice Chairman. He also served this community on Daventry District Council for a number of years. Our thoughts and prayers are with Catherine and her family at this time.

There is now a casual vacancy on the Council. If you would like to become a Parish Councillor, then please email the Clerk with a short resume (who you are, and why you would like to be a Councillor) if you want to be considered to be co-opted onto the Council by Tuesday 8th December.

Newsletter – Please note that this newsletter covers December and January due to printing deadlines over the Christmas and New Year holidays. However you can still keep up to date with the latest village news in Barby & Onley throughout the month at http://bit.ly/bob News.

Neighbourhood Plan – The Local Public Consultation on the Draft Neighbourhood Plan has now closed. We have received over 50 comments from 12 consultees. Thank you to all who responded and all the suggestions will now be carefully considered before the Plan is reviewed again by the Parish Council. If approved by the Parish Council, it will be made available on the website and sent to Daventry District Council for a further six week consultation period. An independent expert will then examine the Plan before it is the subject of a referendum vote in Barby and Onley.

Defibrillator – The defibrillator (by the front door of Barby Village Hall) is now registered with the Ambulance Service and can be used in case of Emergency. Community defibrillators can be used by members of the public with or without any formal training. This is because the equipment is very easy to use, and when you have called 999 the ambulance service operator will normally stay on the telephone to assist you. The modern equipment is also designed to talk to you and tell you what to do. You cannot make a mistake when using the defibrillator – just follow the instructions given.

We will however be arranging a training session on one evening in January. The training sessions can accommodate up to 50 people and lasts for 2 hours. We hope that this will give everyone the confidence to learn CPR, and understand the processes. Watch the Notice Boards and website for further information.

Government - Neighbourhood Plan
Public consultation document from

The purpose of Neighbourhood Planning is to give local people greater control of the plans and policies that affect their local area. The intention is to empower local people to take a proactive role in shaping the future of the area in which they live.

Once in place, the Plan will set the framework for change in that area for the next 10 to 15 years.

A draft Plan is now available for public consultation and can be downloaded here. If you want to comment or make representation on this document please use the consultation form provided. A limited number of hard copies of the draft Plan are also available from the Parish Council office (12 Tilney Road, Barby) or at the following venues:

- Barby & Osley Parish Council
- Barby Village Hall
- Barby School
- Christmas Tree

The draft Plan provides a snapshot of current planning issues in the area and sets out the goals and objectives for the future. It will be used to guide development and infrastructure planning for the next 10 to 15 years.

The draft Plan is subject to consultation with the public and will be considered by the Parish Council before being submitted to the Secretary of State for final approval.

Wanted Letter Carrier
The Parish Council need a reliable person to collect letters from the Carbery area, trevethan road and behind barley village hall, Barley market and the new timber yard. You need to be over 16 years old, able to stand for long periods and must be reliable.

Terms: £5 per week, with a free newspaper supplied.

If you are interested please contact the Parish Clerk, Mrs Catherine Capon, Mayflower House, 16 Church Road, Barley, IP27 0DD by 14th October 2013.

Revisions to the Timetable
Some slight changes to the timetable have been introduced by Stagecoach from early September. We would like to remind all parishioners that:

- Early buses to Trevethan are now 10 minutes later than previously.
- Running times from Trevethan and to Barley are unchanged, but some afternoon buses now leave 5 minutes later than before.
- More buses run via Toms at 0930 (except afternoons), adding a minute or so to journey times.
- New late evening bus to Trevethan at 1730.
