<b>1</b>	<b>APOLOGIES</b>		
1.1	Apologies were received from Councillors Gibbs (Ill), D Blezard (Hols), H Vale (personal).		Accepted.
<b>2</b>	<b>NEIGHBOURHOOD PLANNING</b>		
	<p>Tom James, Senior Policy Officer (Planning) from Daventry District Council - Business Team, gave an interesting overview of Neighbourhood Planning. He outlined what a Neighbourhood Plan is, what other higher documents it has to be aligned with, the times scales for implementation and the sort of information that a Parish can gather to put into their plan.</p> <p>The following websites were suggested as good sources of guidance and help and can be viewed on the village <b>website <a href="http://www.barbyandonleyparishcouncil.co.uk">www.barbyandonleyparishcouncil.co.uk</a></b></p> <p>“In order to assist in developing Neighbourhood Plans, Daventry District Council have identified Kirkwells Ltd who can provide neighbourhood planning services. The following information from <a href="#">Kirkwells</a> is available to view:</p> <ul style="list-style-type: none"> <li>• <a href="#">Neighbourhood Planning Services</a></li> <li>• <a href="#">September 2013 Neighbourhood Planning News</a></li> <li>• <a href="#">Planning Blog</a></li> <li>• <a href="#">Neighbourhood Plan Preparation, Support and Advice webpage</a> “</li> </ul> <p>Basic conditions required for a neighbourhood plan can be found by the following link below, it's the new online guidance portal for planning. <a href="http://planningguidance.planningportal.gov.uk/blog/guidance/neighbourhood-planning/what-is-neighbourhood-planning/">http://planningguidance.planningportal.gov.uk/blog/guidance/neighbourhood-planning/what-is-neighbourhood-planning/</a></p> <p>Furthermore through the following link you can access the evidence base summary produced for the Thame Neighbourhood Plan. This is a pretty extensive document and it may be the case that it doesn't need to be as extensive for Barby and Onley, however at an early stage its useful to look at the content in Section 1 as some of these themes may be applicable to the area and a start could be made on collating this evidence (if its applicable) <a href="http://www.southoxon.gov.uk/sites/default/files/Evidence%20Base%20Summary-RD.pdf">http://www.southoxon.gov.uk/sites/default/files/Evidence%20Base%20Summary-RD.pdf</a></p> <p>In terms of resources, the following websites are useful <a href="http://www.neighbourhood.statistics.gov.uk/dissemination/">http://www.neighbourhood.statistics.gov.uk/dissemination/</a> <a href="http://www.westnorthamptonshirejpu.org/connect.ti/website/view?objectId=3430192">http://www.westnorthamptonshirejpu.org/connect.ti/website/view?objectId=3430192</a> <a href="http://www.daventrydc.gov.uk/living/planning-policy/local-development-framework/evidence-base/">http://www.daventrydc.gov.uk/living/planning-policy/local-development-framework/evidence-base/</a></p>
