Parish Council News

Parish Council Meeting - The next Parish Council meeting will be held at Barby Village Hall on Monday 10th November at 7.30pm.

All Parish Council meetings are open to the public. If you wish to raise an issue with the Council then please come along and do so, or contact the Clerk (01788 891184) a week in advance so that she can put the matter on the agenda.

Neighbourhood Plan Survey Thank you to everyone who completed the Neighbourhood Plan survey we have received a total of 305 responses (218 from Barby, 75 from Onley and 12 others). We will now be busy analysing the results with a view to presenting the initial results to a public meeting in the next few weeks. Keep your eyes on the notice boards and the website for details.

Elections on 7th May 2015. The term of office for the present Parish Councillors comes to an end at the end of April. If you would like to become a Parish Councillor, or just want to find out what is involved, speak to one of the current Councillors or the Clerk.

To stand as a Councillor in May 2015 you will need to fill in a form, available from Daventry District Council. If there are more than 11 candidates then there will be an election which will be held on the same day as the General Election. It would be really good if the village can have sufficient interested candidates that an election chooses those best suited to serving the local community – please consider whether becoming a Councillor and helping shape the future of the parish is something you might be prepared to do. It involves attending a monthly 2½ hr meeting and making decisions on how the Council tax is spent in the community.

The Parish Council is also a statutory consultee on planning applications, recently we have been consulted on application DA/2014/0796 - Outline Application for the construction of 12 dwellings on land adjacent to 71 Daventry Road, Barby. Barby and Onley Parish Council objected to this application based on a lack of need, disregard of local/national policies and the incongruous intrusion into the countryside. The proposed development of 12 dwellings is on a greenfield site beyond the adopted village confines and on land within open countryside and is contrary to the saved Policies HS22 and HS24 of the Daventry District Local Plan.

Christmas Events. We are hoping to install a power point on the green opposite the shop so that we can plug in lights and have a village Christmas Tree. If everything goes to plan we hope to have mulled wine, mince pies and carols round the Christmas tree in mid-December followed by a tour of village Advent windows. Don't forget to put your name forward for making an Advent window. (See page 5).

If you see a pothole, or are concerned about the highway then contact www.northamptonshire.gov.uk/streetdoctor and report the problem on line.

Please cut back bushes and hedges that overhang the footpaths so that people can pass easily.

If your street light is not working, please contact either the Clerk (Barby) or Cllr Dawn Cotton (Onley) so that they can arrange repair.

Other News

Barby Advent Calendar Windows – Time is running out!! For 2014 we would like to reinstate the Barby Advent Calendar Windows. Each night from December 1st to December 24th an additional window will be switched on around the village, providing an interesting tour of our village just before Christmas.

If you would like to host a window, please note:

- 1) It will need to be illuminated from 6pm to 9pm on your date in December and then every day from 6pm until 9pm until December 24th.
- 2) Your window can have any form of festive design (silhouettes, 3d designs. etc.).
- 3) As with other advent calendars, your window needs a number on it, so if your date is the 5th of December, you must have a number 5 somewhere in the window.
- 4) Your window must be clearly visible from a road.

Interested? Then do book your date now, or talk to us with any questions, call Liz or David Williams on 890113 or through a Facebook search for Barby Advent Calendar.

Be a Responsible Dog Owner (again!) – Dogs are being let out on their own without supervision around the village. Not only is this dangerous for the dog, local children, pedestrians and traffic, but these dogs obviously go and foul on the paths or people's gardens with no one around to clear up after them. If, during office hours, you wish to report a straying dog, or you have captured a stray dog please contact the Daventry District Council on 01327 871100.
